

Bridge Park Montessori Nursery

JANUARY 2023

Childhood is not a race to see how quickly a child can read, write and count. Childhood is a small window of time to learn and develop at the pace which is right for each individual child.

OUR APPRECIATION:

We are really proud of the children's hard work and the achievements they have made in the past year.

The children love to explore and learn with malleable materials in nursery.

Our Sports Day was an enjoyable day for everyone and it was a pleasure for all the children and parents.
